Child Support Orders

The child support orders now being issued instruct payroll officers to set them up with a utility code in the payroll system that will direct the payments to the **CHR Child Support – Lexington**, or the Central Collections Unit in Lexington. This is different from past instructions when they were sent to the individual Friend of the Court/County Office and it seems to be causing a lot of confusion.

These deductions are set up in our payroll system as CHR Child Support (Frankfort) – Utility #5008. A new utility number was not set up in our payroll system for CHR Lexington, since we don't actually send the payments for state employees to them. Instead, we upload the information for state employees directly to CHR Child Support in Frankfort, and send the payments to Treasury. Since everyone else in the state sends their payments to CHR Lexington, all of the orders are being printed with this information on them. If you have any questions contact our Payroll Branch at 564-6883.

Payroll Branch Changes

The Payroll Branch has had several recent personnel changes and in this transition some job responsibilities have been temporarily assigned to other staff. Kristy Castro is no longer in the Payroll Branch so all EFT/Direct Deposit questions and issues are now being handled by Donna Parker. Any payroll related health insurance questions should be directed to Carol Kelien and all other payroll issues should be directed to Donna Parker until further notice.

Processing P1S

We continue to experience delays in processing P1s of employees transferring between agencies. The biggest contributor to these delays is a lack of communication between the two agencies. The losing agency is required to submit the transfer form. Therefore, we recommend that the agency also fax or mail a copy of that form to the receiving agency. Another suggestion that would save processing time is if each agency enters the name of the agency the employee is transferring from and to in the "comments" section of the P1.

OPEHI IMPORTANT NEWS

OPEN ENROLLMENT EXTENDED FOR SOME COUNTIES

Open Enrollment has been extended until October 15, 2001 for the following counties: Caldwell, Christian, Logan, Lyon, Spencer, Todd and Trigg.

2002 HEALTH INSURANCE IDENTIFICATION CARDS

Health Insurance Carriers for the 2002 Plan Year have notified OPEHI that they will issue 2002 Identification cards as follows:

AETNA –	Only new members or plan changes will receive new ID card.
ANTHEM -	Only new members or plan changes will receive new ID card for the HMO and POS Plans. All PPO members will receive new ID cards.
BGFH -	Only new members or plan changes will receive new ID card.
CHA -	Only new members or plan changes will receive new ID card.
HUMANA -	Only new members or plan changes will receive new ID card.

OMMISSIONS FROM AVAILABILITY CHART

The Availability Chart listed on pages 13-17 of the 2002 Health Insurance Handbook has had the below listed changes. An updated availability chart is attached.

Bracken County -	Should list HMO, POS, PPO and EPO as options for Humana.
Spencer County -	Should list HMO, POS, PPO and EPO as options for Humana. AETNA HMO, POS and EPO should be added and BGFH should not be listed

The attached chart is the revised Benefit Grid for the PPO Plan. The skilled nursing facility benefit was omitted from the grid that appears on page 23 of the Health Insurance Handbook, as well as the definition of the asterisk (*) that appears at the bottom of the benefit grid.

DUE DATE FOR HEALTH INSURANCE APPLICATIONS

The OPEHI would like to remind Insurance Coordinators that the deadline for having applications mailed to the Enrollment Information Branch is October 15, 2001. Please mail applications daily, as we are experiencing heavy enrollment and we have a very short time to have the applications processed in order for members to receive ID cards before January 1, 2002.

Thank you very much for your cooperation.
